INTRODUCTION

Mission

At CAMPUS, our MISSION is to provide students from around the world with exceptional, accessible, and effective English language training, using innovative methods.

CAMPUS History

Campus Education began its first class in August 1999 under the name Computer Professional Learning Center (CPLC). Our pioneer branch was located at Bergen Ave., in Jersey City, NJ. At its inception, CPLC was established to address what was perceived to be a severe shortage of qualified computer programmers and other

I.T. related professions. During our early years of operation, our mission remained highly specialized: to train students for gainful employment in the I.T. industry. As the number of students from other parts of the world increased, English language training programs were also introduced to ensure that students were functional in English conversation. In June 2004, CPLC opened its 2nd and biggest branch in Manhattan.

In 2010, CPLC changed its name to Campus Education (aka CAMPUS) to cater to the needs of the growing ESL student population with its focus now on providing English language training to international students as well as local residents.

As of today, Campus Education has 8 locations: Jersey City, NJ, Palisades Park, NJ, Flushing, NY, Elmhurst, NY, and 4 branches in New York, NY.

Goals and Objectives

Our overall goal is to help students develop understanding of and proficiency in level-appropriate listening, speaking, reading, and writing skills in English, which they can then use daily to pursue academic study, to advance in their chosen profession, or to be confident in their social interactions. Depending on the program, the course content is delivered in a general, academic, or business context.

Academic Programs and Policies

Programs of Study, Curriculum, and Textbooks

At Campus Education, we offer four programs of study. The main program is **General English**. In General English, we work to improve your listening, speaking, reading, and writing skills in English, and we build your knowledge of vocabulary, idioms, grammar, and structure. You will gain fluency and accuracy in your language use through guided instruction, assignments, and many communicative activities in class. We believe that through using English to accomplish specific tasks, you will become more comfortable and confident users of the language.

This program is suitable for students who want to improve their English for personal or social reasons, who wish to be more competitive in their chosen profession, or who wish to prepare for academic studies in the United States or abroad. General English is offered in 5 levels, from beginner (Level 1) to advanced (Level 5).

The textbook series used in the program are Top Notch 1-3 (General English 1-3) and Summit 1-2 (General English 4-5). There are many learning resources in the series, including a textbook, workbook, interactive DVD-ROM, and other video and audio sources of information and instruction found in the online language laboratory called MyEnglishLab.

Our **TOEFL** Preparation program is for students who wish to improve their TOEFL score for entrance to college or graduate school programs in the United States. In this program, you will work on your listening, speaking, reading, and writing skills, build your vocabulary, and improve your knowledge of grammar. You will also learn different test-taking strategies and become familiar with the parts of the test.

This program is appropriate for students at the advanced level (Level 5).

The textbook used in the course is The Official Guide to the TOEFL iBT Test (6th Edition) (ETS, McGraw Hill, 2021), which also comes with a digital download containing many hours of testing practice. Additional texts (from ETS, Mometrix Test Preparation, Pearson Education, Kaplan, Inc., d/b/a Barron's Educational Series, and more) are also recommended as supplementary materials.

Our **Academic Preparation** program is for students preparing for academic studies at the college undergraduate or graduate school level. As in a college-level seminar, you will listen to academic lectures, discuss topics, and make oral presentations. You will also read short articles and longer texts and then write short essays in response to them. In this program, you will build your vocabulary and learn how to structure your essays and talks to express yourself most effectively.

This program is for students at the upper-intermediate and advanced levels (Levels 4 and 5).

The textbooks for this program are the LEAP (Learning English for Academic Purposes) series, one volume for reading and writing, and one volume for listening and speaking. There is also a CD that accompanies the listening and speaking volume. The books come at the upper intermediate and at the advanced level.

Our **Business World** program is for students interested in learning Business English. As a student in the Business World program, you will be introduced to business vocabulary and develop the accuracy, fluency, and communication skills required to engage confidently and effectively in the English-speaking business world.

In addition to being immersed in a world of authentic Business English, you will gradually develop your grammar and become familiar with points of business etiquette and correspondence as they are created, used, and developed throughout the global English-speaking business community.

Our Business World program is for students at the beginner-advanced levels (Levels 1-5). The textbooks for this program are the Market Leader series, developed in affiliation with the *Financial Times* (Levels Elementary-Advanced). Each book comes with a DVD-ROM for listening to and watching authentic interviews with businesspeople and a variety of scripted recordings about business

CAMPUS Levels

Here is an overview of our levels.

Level 1	(Beginner): General English 1 Business World (Elementary)
Level 2	(High Beginner): General English 2 Business World (Pre-Intermediate)
Level 3	(Intermediate): General English 3 Business World (Intermediate)
Level 4	(Upper Intermediate): General English 4 Academic Preparation (Upper Intermediate) Business World (Upper Intermediate)
Level 5	(Advanced): General English 5 Academic Preparation (Advanced) TOEFL Preparation (Advanced) Business World (Advanced)

Placement

When you receive your orientation to school, you will also take a placement test. The test comes from the textbook series that we use in our General English program, and it allows us to find the right level of instruction for you. There are 4 written parts (a writing part, a listening part, a reading part, and a general part that tests vocabulary and grammar); these parts of the test are timed, and you will take them with fellow students at the same time. The 5th part of the test involves speaking. You will spend

10 minutes or so with a teacher, who will ask you specific questions about a topic of general knowledge. You will meet with the teacher one at a time.

After we grade all the parts of the test, we will inform you about your class level and your course books. At that time, please indicate which schedule you prefer. Please know that if you test into Level 1, 2, 3, 4, or 5, you have the option of studying in the General English program or the Business World program. Also, if you test into Level 4, you will have the option of taking a class in General English, Academic Preparation, or Business World as long as the class is being offered. If you test into Level 5, you can choose from General English, Academic Preparation, TOEFL Preparation, or Business World as long as those other classes are offered.

Changing Levels or Schedules; Making Complaints

If you are unhappy with your level or believe that you have been placed improperly, please attend at least a few classes at your placement level. If you still believe that the class level is too easy or too hard for you, speak to the ESL Coordinator or Academic Director, who will discuss your case with your teachers. If the teachers agree that you could benefit from learning at another level, we will fill out a form and make a change for you. You have two weeks from your official start date to ask for a change in your class level or to request a change in your class schedule.

If you have any other complaints about your classes, please discuss your concerns with your individual course teachers. If your complaint is serious and you do not wish to discuss the matter with your classroom teachers, please talk to your admissions representative, with the ESL Coordinator, with the Academic Director, or with the School Director. You may be asked to fill out a Student Complaint Form. We respect your opinions, take your concerns seriously, and will follow up on the matter.

At all times, students may direct concerns or complaints of a serious nature to the New Jersey State Education Department. Please refer to the Student Disclosure Material that was provided to you when you enrolled.

Grades and Advancement

All classes at CAMPUS are non-credit courses offered on a pass/fail basis. An overall average of 70% is required on tests, exams, assignments, and projects to advance to the next class level or program. (For TOEFL Preparation, an Exit Test score of 90 points or above is required to pass the course.) In your classes, you will have a variety of assignments, activities, exercises, and projects to complete in class and at home. You will also have quizzes, unit tests, midterms, and final exams to chart your learning and progress. If you pass a class, it means that your teacher has determined that you have achieved the student learning outcomes for that level of study and are ready to move up to the next level. If you fail a class, it means that your teacher has determined that you cannot yet accomplish the student learning outcomes for your class level and that you should remain at that level for another term of study.

Although you may fail a class level once and remain at the same level, you may not fail a class level twice. If you do, you are not making sufficient academic progress, and you may be asked to leave the school. If you wish to protest a grade, first discuss the matter with your classroom teachers; they can change a grade, if warranted. If the teachers do not agree with you, you may speak to the ESL Coordinator or Academic Director to make a complaint. If, after reviewing your academic record, we make any changes to grades or promotion, we will notify you in writing.

Credit for Previous and Current Education and Training

The courses and programs at Campus Education are non-credit. Therefore, credits earned at other institutions are not transferable. Students are given a placement test to determine their level in our curricular structure, which is based upon the Common European Framework of Reference for Languages. Prior education or certificates at other institutions are not used to determine placement. Please note that CAMPUS schools offer curricula measured in clock hours, not credit hours. Certificates of completion, i.e., school diplomas, are issued to students who meet clock hour requirements. The granting of any college credit to students who participated in and/or completed a program at a CAMPUS school is solely at the discretion of the institution of higher education that the student may opt to subsequently attend.

Academic and administrative offices are available throughout the day and evening to assist students with their studies and other needs at the school. Advice may be asked from the appropriate support personnel listed below:

Academic Director – for academic concerns, classes, teachers, programs, textbooks, etc.

Admissions Representative – for admission, program offerings, change in schedule, etc.

Registrar and School Director – for tuition account status, payment plans, student refund checks, etc.

Program Completion

Students will be classified as graduates if they have received passing grades in each course in the program and kept proper attendance based on the school attendance policy. However, CAMPUS will impound the academic transcript and credential of any student who has not paid all program or individual course tuition, fees, and fines in full.

Transcripts and Completion Certificates

A transcript fee is charged per student copy. Transcripts of records are issued only upon student request. After receiving such a request, the registrar's office will process it within 3-5 business days.

Completion certificates are free and are given upon successful completion of the program.

Academic Probation

Students who are not meeting progress standards will be permitted to remain in school on a probationary status for one marking period. To qualify for academic probation, a student must agree to comply with recommendations by the office of the school Director to improve academic achievement.

Refund Policy

A student who cancels within 7 days of signing the enrollment agreement, but before instruction begins, receives all monies returned except for the non-refundable registration fee.

- Thereafter, a student will be liable for:
- The non-refundable registration fee plus
- The cost of any textbooks or supplies accepted plus

Tuition liability as of the student's last date of physical attendance. Tuition liability is limited to the quarter or term during which the student withdrew or was terminated, and any previous quarter or terms completed.

The student refund may be more than that stated below if an accrediting agency refund policy results in a greater refund. Any refunds due to a student who cancels, withdraws, or discontinues will be made within 10 days of such action.

Also, please be advised that the failure of a student to immediately notify the school director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to Section 5002(3) of the Education Law.

In accordance with the prevailing student refund policy (noted above), the student is issued a refund check within 10 days. The failure of a student to immediately notify

the school director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to Section 5002(3) of the Education Law.

Student Services

Attendance:

Regular attendance is essential for success. To receive a certificate of completion, students must attend at least 70% of the scheduled hours. As per federal law, students with F-1 visa status must complete 18 hours of classroom attendance per week to maintain their status.

Procedure:

Attendance is recorded by the teacher, whose document is the official record. This roster is submitted to the Registrar, who enters the data into the system.

Absences:

Students are required to complete any missed assignments and are encouraged to attend weekly review classes, which are offered free of charge. The school will reach out to students who have frequent late arrivals or absences to discuss their attendance. If absences are unjustified, the student will receive a warning letter, which could potentially lead to dismissal. Continued unexcused absences will result in a second warning letter and further consequences, including:

- Official withdrawal by completing a Drop/Absent form.
- Termination of the student's F-1 visa status by the Designated School Official (DSO) in SEVIS.

Any applicable refunds will be processed within 10 days of dismissal/termination. (Please refer to the Campus Refund Policy for more details.)

The Leave of Absence (LOA):

The policy provides students with the opportunity to take a break for a specific, predefined duration when they have a legitimate reason. The school holds the authority to grant a Leave of Absence to students who meet the necessary criteria. To initiate the process, students are required to complete and sign an LOA form. It is important for students to return to school on the agreed-upon date. The approval of a Leave of Absence is ultimately at the discretion of the School Director, and students may be granted a maximum absence of up to 60 days.

Review Class:

In the interest of supporting our students' education, CAMPUS provides a review class to those who have been absent due to extenuating circumstances and to students who want or need additional help and instruction. The student will be allowed to do one review class per week, up to a maximum of 4 (four) hours. These classes are free.

Tardiness:

Developing good work ethics is an important part of the training at CAMPUS. Students arriving late for class interrupt the instructor and other students. If students are more than 60 minutes late, they will have to wait for the 2nd session to join the class.

Students who are under F1/M1 visa status should know:

- As per 8 CFR Part 214.2(F)6(i)(D), an international non-immigrant (F1) student is required to complete 18 hours of classroom attendance per week to maintain status.
- Once the Registrar makes a class roster for a class, the student is informed about the new class schedule, payment schedule, and other requirements to pass the program.
- The Registrar and the DSO monitor the individual student attendance every week.
- If attendance is poor or irregular, i.e. below 18 hours per week in case of (F1/M1) students, then the Registrar requests the DSO to send out a warning letter to the student by registered mail and also requests that the student talk in person with the DSO within 7 days.
- If the student either fails to contact the school's Registrar or DSO after receiving the warning letters (at least 2 warning letters will be sent) and the student still fails to attend class without valid reasons, the DSO/ PDSO will notify the delinquent student about his/her termination in SEVIS.
- Refund policy applies. Any refunds, if due, will be issued within 45 days of termination.

Termination Due to Non-Payment

Students are expected to pay in full by the first day of class. Students who fail to pay tuition fees in full will not be allowed to attend class or to reenroll for the next semester.

- The Registrar reviews lists of students who have not fully paid but are attending classes.
- Registrar sends out reminder letters to students stating the outstanding balance with breakdown of charges.
- If students fail to pay, a 2nd and final reminder letter will be sent to students.
- Failure of students to settle their dues within 30 days of receipt of final notice will lead to termination.
- Registrar will forward the student record to DSO for termination in SEVIS.
- Termination Notice will be sent to the student.

Method used to Collect Debt:

Any former student who owes Campus Education will receive two written notices of such debt, after which the account will be turned over to a legally registered collection agency or similar organization.

Counseling:

Students who seek personal counseling may see any one of the Admissions Representatives or the School Director for advice on where to go for such help.

Proper Dress Code and Classroom Decorum:

Students are encouraged to dress in a manner appropriate to the customary standards of school and professional life. Under no circumstances may students wear any attire while on school premises that may be offensive or disruptive to other students, faculty, or staff members. Furthermore, students may not listen to portable or personal music units while in class.

Crime awareness and school security:

It is the policy of the school to safeguard the students and employees of CAMPUS by having a secure door at the entrance of the school and security cameras for recording purposes. In accordance with federal law, CAMPUS posts information regarding crime awareness and school security on its bulletin boards.

1. The incoming personnel or students may press the buzzer or enter using the door code in order for them to enter the building.
2. A security camera is conspicuously placed in every strategic location of the school facility to record any crime that might happen.
3. The reception desk personnel receive visitors/guests.
4. Visitors sign in at the reception desk and wait in the school's waiting area.
5. Visitors are called in one at a time whenever they want to speak to the school Director or to any teacher or CAMPUS employee.

Student Conduct

To ensure safety and security of the CAMPUS community and in the interest of providing a climate of student and staff cooperation, students are expected to behave in a mature manner. Failure to adhere to the student conduct code can result in suspension or dismissal from the institution.

Offenses Subject for Suspension

Unacceptable conduct or attitude, both in class and on school premises, will not be tolerated and may result in suspension from CAMPUS.

The purpose of suspension is to give the student time away from school to reflect on the situation and to understand that further infractions may lead to dismissal from CAMPUS. During the suspension, the student will be marked absent for the hours missed and will be subject to any consequences incurred for such absences.

Students may be suspended after one verbal warning for the following:

1. Smoking in areas designated by law or school policy as nonsmoking areas.
2. Eating or drinking during class.
3. Continuing to use a computer terminal or other facility that is needed for another group's scheduled class.
4. Wearing inappropriate attire (see details in Proper Dress Code section above).
5. Failure to adhere to academic integrity standards during tests, quizzes, or examinations (such as using notes or materials, talking to or copying from other students, and/or copying another student's projects or assignments).
6. Frequent tardiness or leaving before class dismissal.

Students may be suspended immediately and without warning for the following:

1. Defacing school property or the personal property of other members of the school community.
2. Behaving disruptively in the classroom.
3. Behaving inappropriately on CAMPUS school premises.
4. Coming to class under the influence of alcohol or drugs.
5. Presenting or wearing someone else's ID.

Offenses Subject for Termination/Dismissal

The following breaches of conduct are valid grounds for immediate dismissal or termination from school:

1. Grave threats to fellow students, teachers, or any CAMPUS employee.

2. Using physical or verbal abuse, profanity or violence in any form.
3. Using, selling, possessing or distributing drugs or other illicit substances.
4. Engaging in sexual harassment or sexual assault. Sexual harassment including hostile environment and quid pro quo (forcing an individual to perform sexual favors in return for something.) CAMPUS strictly imposes sanction if any form of sexual harassment is committed. It is a violation of the school's policy and a violation of federal law.
5. Sexual harassment is described as an unsolicited, non-reciprocated behavior, including, but not limited to unsolicited verbal comments, and harassment, sexist remarks about a person's body or sexual activities, patting, pinching, or unnecessary touching, subtle pressure or demands for sexual favors accompanied by implied or overt threats concerning employment or student status, and physical assault. Individuals who consider they are victims of sexual harassment should contact the School Director, who will investigate reported incidents confidentially and take necessary action. Disciplinary actions include suspension or dismissal from school, depending on the nature and substance of grievance.
6. Improper use, destruction, or unauthorized removal of school property and/or the property of others.
7. All types of dishonesty, including cheating, plagiarism, knowingly furnishing false information to the institution, and forgery, alteration or use of institution documents of identification with intent to defraud.
8. Theft or damage to the school premises or damage to the property of a member of the school community on the school premises.
9. Setting off the fire alarm without good cause.
10. Missing more than 20 percent of instruction time that is recorded as unexcused absences.
11. Not meeting financial responsibilities to the school.
12. Not adhering to the school's rules, regulations, policies and code of conduct.

The School Director will notify students in writing should it become necessary to dismiss them from the program. The dismissal letter will contain the date and the reason for dismissal. Prepaid tuition will be refunded in accordance with existing school refund policy.

Appeal on Suspension

Any student who desires to dispute the basis for suspension should notify the School Director immediately and in writing and request a review of the case.

The School Director, Academic Director, and ESL Coordinator will then meet to discuss and review the case.

All appeals will be reviewed in a timely manner, and the decision will be communicated to the student in writing no later than ten business days from the date that the appeal was submitted by the student. The decision of the review panel will be final.

Student Housing

CAMPUS does not offer housing accommodations. Individuals in need of local housing should refer to the classified section of the city and local newspapers. Apartment shares and rentals can also be located through several Internet web sites.

Emergencies:

CAMPUS always considers everyone's safety. In the interest of order, safety and security, students are asked to familiarize themselves with emergency procedures and evacuation routes. Floor plans showing the location of fire exits and fire extinguishers are posted on bulletin boards. In case of power failure, emergency lights that are strategically installed will automatically turn on to provide temporary lighting.

Individual illness or injury must be reported immediately to a member of the administration. CAMPUS reserves the right to contact a relative or friend of the student and request emergency medical assistance in the event of a student's illness or injury. A first-aid kit is maintained for minor emergencies.

Bulletin Boards:

To keep informed of school activities, class schedules, CAMPUS news, social events, housing opportunities, etc., students are encouraged to regularly read notices on bulletin boards located throughout the school. Notices for non-CAMPUS-sponsored or -related community activities may be posted on school bulletins with the approval of the School Director. Generally, no approvals will be issued for advertisement of commercial enterprises unrelated to CAMPUS business. Personal or community notices posted on official bulletin boards meant for particular offices or purposes will be removed.

Lost and Found:

Lost personal items must be reported immediately to the School Director for proper action. For information dissemination, the school will put announcements on bulletin boards. Once an item is recovered, the student will be immediately notified and can only claim the item upon presentation of proper identification and upon conviction that he or she really owns the item. As a good practice, students are advised to always check their personal belongings in and out of the school premises.

Privacy Rights:

The Family Educational Rights and Privacy Act of 1974 gives students the right to inspect their educational records upon reasonable notice. The Act also guarantees the privacy of student educational information and sets forth the conditions and circumstances under which a student's records may be shown to others. Information contained in student records is private and confidential and will not be released to, nor discussed with, any individual or organization (except to agencies exempted under the law) without the appropriate written consent of the student.

Student Grievances and Student Rights:

A formal complaint refers to any matter in which a Student Complaint Form is completed by the student, no matter how serious the issue. All student complaints are important and attended to immediately. Some complaints can be handled by the ESL Coordinator or the Academic Director; larger issues must be presented to the school Director.

A student should first discuss the matter with the person with whom the student has a grievance. In the event that a student is uncomfortable discussing it with the second party, it should be taken to the appropriate administrator. To formalize a complaint, a Student Complaint Form must be completed. The administrator listens to both parties and offers resolutions which both can agree upon. If the matter remains unresolved, or if it escalates, disciplinary action may be necessary. Records of formal complaints against personnel are kept in the employee's file in the Office of the School Director.

At all times, students have the right to make complaints by contacting the New Jersey Department of Education. Students may consult the Student Disclosure Material that was given to them during the enrollment process and is printed below for general reference.

Who can file a complaint?

If you are or were a student or an employee of a Licensed Private Career School in the State of New Jersey and you believe that the school or anyone representing the school has acted unlawfully, you have the right to file a complaint with the New Jersey State Education Department.

What can a student or employee complain about?

You may make complaints about the conduct of the school, advertising, standards and methods of instruction, equipment, facilities, qualifications of teaching and management personnel, enrollment agreement, methods of collecting tuition and other charges, school license or registration, school and student records, and private school agents.

How can a complaint be filed by a student or employee?

You should try to resolve your complaint directly with the school unless you believe that the school would penalize you for your complaint. Use the school's internal grievance procedure or discuss your problems with teachers, department heads, or the school director. We suggest that you do so in writing and that you keep copies of all correspondence to the school. However, the school cannot require you to do this before you file a complaint with the New Jersey State Education Department. If you do file a complaint with the Department, please advise the Bureau of any action that you have taken to attempt to resolve your complaint.

What is the tuition refund and cancellation policy?

All schools must have a tuition refund and cancellation policy for each program included in the catalog and in the student enrollment agreement.

Read and understand the school's policy regarding tuition refund and cancellation before you sign the enrollment agreement. If you do not understand it, or are confused by the school's explanation, get help before you sign. You may ask for assistance from the Department at the address included in this pamphlet.

In the event of an unannounced school closure, students enrolled at the time of the closure must contact the Department of Labor and Workforce Development's Training Evaluation Unit within ninety (90) calendar days of the closure. Failure to do so within the ninety (90) days may exclude the student from any available form of assistance. The contact number to call is (609) 292-4247
